MEMORANDUM FOR: Chief, SALT Support Staff
FROM: Director of Central Intelligence
SUBJECT: Upcoming SCC on SALT

Brzezinski mentioned to me on 23 August that they are likely to have an SCC meeting on SALT on Thursday or Friday of next week. This would be to "line up our final position."

NOTE FOR:

FROM: DCI

I'd like to start annotating the calendar between now and
Christmas with items of budget importance. Talk to [redacted]
about dates that I am going to have to be places or do things for
the budget so that we understand what weeks are going to be important
budget weeks, and what the critical dates are by which I have to make
budget decisions so that we don't get too many things backed up
against them.
